Examiner's amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

In claims 20, 21, 24-30, 33-35, line 1, all the terms "ATV" is changed to --all-terrain vehicle--.

Allowable subject matter

Claims 1-21, 24-35 are allowed.

The following is an examiner's statement of reasons for allowance:

The prior art neither discloses nor suggests the following limitations, in combination with the remaining elements as disclosed in claims:

- The switch for controlling the illumination of the non-infrared lights, and an infrared light switch that controls illumination of the infrared light such as required by claim 1.
- The actuation of the switch extinguishes illumination of the non-infrared lights and activates illumination of the infrared light such as required by claim 2.
- The infrared light provides illumination of oncoming terrain visible with the use of night vision viewing devices such as required by claim 8.
- The infrared light switch for controlling the illumination of the non-infrared lights and the infrared lights such as required by claim 11.

- A relay electrically connected to the infrared light switch, when the light switch is closed the relay opens a ground switch, which extinguishes the one or more non-infrared lights such as required by claim 18.
- When the infrared switch is toggled to an "ON" position electrical power is routed to the at least one infrared light source and power is removed from the at least one non-IR light source such as required by claim 20.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
